Activities:

Leadership

- *Student Council*: 9-12th I have been the freshmen class publicity manager, sophomore publicity manager, student body publicity manager, and in my senior year I will be student body president.
- *Oregon Association of Student Councils Camp*: Summer before 10th (6 days-overnight) Students from all over Oregon came to the camp which was held at Western Oregon University. During the camp we discussed how to be a leader, friend, student, family member, and a community member.
- *Yearbook*: 10th While in yearbook I was in charge of completing my own writing assignments, making sure the other writers met their deadlines, and I edited stories and page layouts.
- *Red Cross Blood Drive*: 9-12th I was an escort my freshman and sophomore year. As a junior and senior I was in charge of organizing and running the blood drive.
- *National Honor Society*: 11-12th The society organizes various charity events; in my junior year we had a "Sock-it-to-Poverty" drive which benefited the homeless with socks and toiletries
- *National Hispanic Honor Society*: 10-12th The National Hispanic Honor Society is for students who take Spanish that have achieved an A each semester and who have an overall 3.5 GPA. I was president my junior year.

Sports

- *Club Soccer*: 5-12th I play left, right, and center back.
- *Varsity Soccer*: 9-12th I play left, right, and center back.
- *Track*: 9th I did the 200 meter dash, 400 meter dash, 100 meter dash, high jump, and occasionally long jump.
- *Kicking it Camp:* Summer before 9th and 10th I was a coach for a soccer camp presented by the Sandy High School Team.
- *Little Gopher Soccer Camp*: 9,11,12th Gresham High School Women's Soccer Team puts on a soccer camp for children in the 1st-5th grade.
- *Hour of Power:* Summer before 11th and 12th I ran a fitness program every Monday and Wednesday for my high school soccer team.

Community Involvement

- *Providence Medical Center-Infectious Disease Department*: Summer before 9th. I worked with Dr. Sue J. Kohlhepp as an intern in the Infectious Disease Department at Providence Medical Center: Portland.
- *Tutoring*: 10th I tutored a friend in math, chemistry, and Spanish.
- *Providence Festival of Trees:* 2004-Present As a tree host I stand by a specific tree each year to answer bidders' questions about the tree and the items that come with the tree. All the proceeds go to Providence Medical Centers.
- *Providence Medical Center-Transportation:* Summer before 10th I transported medical supplies to nursing stations, patients to their cars, and flowers and gifts to patients in their rooms as a volunteer.
- *Providence Medical Center for Medically Fragile Children*: 10th -Present I volunteer during an activity group called "Fit'n'Fun" which focuses on trying to improve the children's motor skills and range of motion, although we are also concerned about improving their quality of life. It was an honor to receive the Time and Talent award from the Child Center in 2009 for my commitment to the children.
- *Komen Portland Race for the Cure:* After my mom recovered from breast cancer we made it a tradition to do the Komen Portland Race for the Cure.

Hobbies: reading, playing soccer, swimming, going to museums, discussing history, politics, and current events, listening to music, watching plays and musicals, and scrapbooking
